Independent Auditor's Report

To the Board of Directors of Mobile Loaves & Fishes, Inc. and Mobile Loaves & Fishes Support Corporation Austin, Texas

Opinion

We have audited the consolidated financial statements of Mobile Loaves & Fishes, Inc. and Mobile Loaves & Fishes Support Corporation (collectively "MLF"), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Mobile Loaves & Fishes, Inc. and Mobile Loaves & Fishes Support Corporation as of December 31, 2021 and 2020, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of MLF and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MLF's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in

accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MLF's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MLF's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Financial Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statement of financial position and consolidating statement of activities as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements For the Years Ended December 31, 2021 and 2020

Note 1 – Purpose of Organization

Mobile Loaves & Fishes, Inc. ("MLF, Inc.") is a social outreach ministry that empowers communities into a lifestyle of service with the homeless. The organization has been serving in Central Texas since incorporation in 2000. MLF, Inc.'s mission to provide food and clothing, cultivate community and promote dignity to our homeless brothers and sisters is accomplished through three core programs: the Truck Ministry, Community First! Village, and Community Works.

TRUCK MINISTRY

Through the support of thousands of volunteers, Mobile Loaves & Fishes food trucks hit the streets of Austin 7 nights a week, 365 days a year to provide food, clothing and other life-sustaining items to homeless men and women who are struggling to survive. With more than 6 million meals served, MLF, Inc. has grown to become the largest prepared feeding program to the homeless in Central Texas and has spawned similar food truck programs in other cities across the country.

COMMUNITY FIRST! VILLAGE

As a result of the multitude of connections we've made with our homeless neighbors, we've learned that the single greatest cause of homelessness is a profound, catastrophic loss of family. It's from this understanding that MLF, Inc.'s vision emerged to build Community First! Village to welcome home our friends who had been pushed to the fringe of society. Often referred to as the most talked about neighborhood in Austin, Community First! Village is a 51-acre master planned development that provides affordable, permanent housing and a supportive community for men and women coming out of chronic homelessness. We are in the process of acquiring 127 acres across two properties for the expansion of Community First! Village.

COMMUNITY WORKS

Realizing that most, if not all, of our homeless neighbors are quite entrepreneurial in nature, Mobile Loaves & Fishes developed the Community Works program at Community First! Village to empower individuals to rediscover their God-given talents and move those talents into the economy. Community Works provides micro-enterprise opportunities that enable our friends who have experienced homelessness to earn a dignified income, while also developing new skills and cultivating enduring relationships.

More than two decades ago, Mobile Loaves & Fishes' founders boldly answered God's call to "love your neighbor as yourself." Today we remain steadfast in this desire as we take part in an unprecedented movement and level of collaboration across Austin to ensure our homeless neighbors are not forgotten. Together, we are serving goodness and building hope for our friends who need it most.

Mobile Loaves & Fishes — Serving Goodness.

Note 1 – Purpose of Organization (continued)

On August 31, 2020, MLF, Inc. established an entity known as Mobile Loaves & Fishes Support Corporation ("MLF SC"), a Texas nonprofit corporation, as part of a New Market Tax Credits ("NMTC") transaction. MLF, Inc. is the sole member of MLF SC, which was organized and will be operated at all times exclusively for the benefit of, to perform the function of, and/or to carry out the purposes of MLF, Inc. See Note 17 for additional information on the NMTC. As a result, MLF, Inc. and MLF SC (collectively "MLF") have been consolidated within the audited consolidated financial statements as required by accounting principles generally accepted in the United States of America. All significant related organization accounts and transactions have been eliminated in the preparation of these consolidated financial statements.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The consolidated financial statements of MLF are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Financial statement presentation follows the recommendations from the *Not-for-Profit Entities* Topic of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC 958). Accordingly, net assets of MLF and changes therein are classified and reported as follows:

<u>Net assets without donor restrictions</u> – These types of net assets are not subject to donorimposed stipulations. This also includes net assets with Board designations for specific purposes, since these Board designations may be reversed by the Board of Directors at any time in the future.

<u>Net assets with donor restrictions</u> – These types of net assets are subject to donor-imposed stipulations, which limit their use by MLF to a specific purpose and/or the passage of time. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from donor restrictions.

Notes to Consolidated Financial Statements (continued) For the Years Ended December 31, 2021 and 2020

Note 2 – Summary of Significant Accounting Policies (continued)

Income Taxes

Mobile Loaves & Fishes, Inc. and Mobile Loaves & Fishes Support Corporation are both exempt from Federal income taxes under Internal Revenue Code (IRC) Section 501(c)(3), except to the extent of unrelated business income, if any. In addition, under IRC Section 509(a)(1), MLF, Inc. is a public charity and, thus, donations to MLF, Inc. qualify for the maximum allowable charitable deduction.

The most significant tax positions of MLF, Inc. and MLF SC are their assertions that they are exempt from income taxes and their determinations of whether any amounts are subject to unrelated business income tax (UBIT). Management has determined that MLF, Inc. and MLF SC had no UBIT liability from unrelated business activities during the years ended December 31, 2021 and 2020. All significant tax positions have been considered by management and it has determined that it is more likely than not that all tax positions would be sustained upon examination by taxing authorities.

MLF, Inc. and MLF SC are both required to file the Form 990 (Return of Organization Exempt from Income Tax), which is subject to examination by the Internal Revenue Service (IRS), generally up to three years from the later of the original due date or the date the tax return was filed. The Forms 990 for 2020, 2019, and 2018 for MLF, Inc. are open to examination by the IRS as of December 31, 2021. MLF SC's first Form 990 for 2020 is open to examination by the IRS as of December 31, 2021.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Date of Management's Review

These consolidated financial statements considered subsequent events through May 12, 2022, the date the consolidated financial statements were available to be issued.

Reclassifications

Certain 2020 amounts have been reclassified in order to conform to the 2021 consolidated financial statement presentation.

Note 2 – Summary of Significant Accounting Policies (continued)

Fair Value of Financial Instruments

MLF follows FASB ASC 820, *Fair Value Measurements and Disclosures*, which relates to MLF's fair value disclosures related to financial assets and liabilities. FASB ASC 820 defines fair value, expands related disclosure requirements, and specifies a hierarchy of valuation techniques based on the nature of the inputs used to develop the fair value measures. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

There are three levels of inputs to fair value measurements – Level 1, meaning the use of quoted prices for identical instruments in active markets; Level 2, meaning the use of quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in markets that are not active or are directly or indirectly observable; and Level 3, meaning the use of unobservable inputs.

MLF's financial instruments consist principally of cash and cash equivalents, other receivables, notes receivable – NMTC, notes receivable - neighbors, cash and cash equivalents with donor restrictions, pledges receivable with donor restrictions, accounts payable, accrued payroll expenses, and other current liabilities. MLF believes all of the financial instruments' recorded values approximate current market values due to the short maturity of these instruments. The carrying amount of the notes payable approximates fair value because the interest rate approximates the current market interest rate.

Cash and Cash Equivalents

MLF considers all liquid investments with a maturity of three months or less when purchased to be cash and cash equivalents.

Other Receivables

Other receivables are recorded at the amount MLF expects to collect on outstanding balances. MLF has not set up an allowance for uncollectible receivables at December 31, 2021 and 2020, because management estimates that the receivables are collectible, and write-offs are historically unusual and small.

Investments

Investments are stated at fair value. Realized and unrealized gains and losses are reported in the consolidated statements of activities as increases or decreases in net assets without donor restrictions unless their use is donor restricted by explicit donor stipulations or by law. At December 31, 2021 and 2020, investments consisted of common stock, money market funds, and U.S. treasury bills valued at \$9,362,878 and \$3,570,320, respectively, (using Level 1 inputs).

Note 2 – Summary of Significant Accounting Policies (continued)

Inventory

MLF records inventory, which consists of retail items from the Community Market and Community Works programs, at direct cost on the weighted average basis.

Property and Equipment

Property and equipment items in excess of \$2,500 are capitalized at cost, including costs of significant improvements. Donated property and equipment are recorded at estimated fair value of the date of receipt. Depreciation is computed on a straight-line basis using estimated useful lives of five, fifteen, twenty-seven and a half, and thirty-nine years for the following categories: buildings and other housing units, vehicles, recreational vehicles, computer equipment, furniture and fixtures, equipment and storage, and land improvements.

Debt Issuance Costs

Debt issuance costs of \$57,961 were paid in 2018 related to the financing of MLF, Inc.'s construction loan #1. Additional debt issuance costs of \$68,000 were paid in 2020 related to the NMTC portion of Construction loan #1. Total debt issuance costs for construction loan #1 were recorded as a direct deduction from the face amount of the notes payable (see Note 8). Construction loan #1 was paid off in 2021 and the related debt issuance costs were fully amortized.

Debt issuance costs of \$711,625 were paid in 2020 related to the financing of the four MLF SC's Notes Payable - NMTC. Debt issuance costs for the Notes Payable - NMTC were recorded as a direct deduction from the face amount of the notes payable (see Note 8).

Amortization of debt issuance costs are computed using the straight-line method over the lives of the applicable loans and recorded as interest expense. Interest expense related to the amortization of debt issuance costs for the years ended December 31, 2021 and 2020 totaled \$126,260 and \$31,211, respectively.

Intentions to Give

MLF received an intention to give from a donor during the year ended December 31, 2016 hoping to contribute towards MLF's Community First! Village over a 10 year period. Since this pledge does not meet the criteria for revenue recognition under FASB ASC 958, it is not reflected as a contribution in the consolidated statements of activities until the pledge is collected. As of December 31, 2021 and 2020, intentions to give totaled \$450,000 and \$600,000, respectively.

Notes to Consolidated Financial Statements (continued) For the Years Ended December 31, 2021 and 2020

Note 2 – Summary of Significant Accounting Policies (continued)

Donations, Contributions, and Pledges Receivable

All contributions are recorded at their fair value and are considered to be available for operations of MLF unless specifically restricted by the donor. Unconditional pledges to give cash and other assets are reported as net assets with donor restrictions (either temporarily or permanently restricted), if they are received with donor stipulations that limit the use of donated assets. When donor restrictions expire, that is, when a stipulated time restriction ends or donor restricted purpose is accomplished, the related net assets with donor restrictions are reclassified to net assets without donor restrictions. This is reported in the consolidated statements of activities as net assets released from donor restrictions. Conditional pledges to give are recognized only when the conditions on which they depend are substantially met and the pledges become unconditional. Pledges are recognized as revenues when the donor's commitment is received. Pledges are recognized at the estimated present value of the future net cash flows, net of allowances. All pledges receivable are recorded at net realizable value for the years ended December 31, 2021 and 2020.

Contributions of Food, Clothing, and Other Non-cash Items

Contributions of food, clothing, and other non-cash items for use in assistance programs that meet the criteria for recognition are recorded at fair value. However, MLF receives a significant volume of these types of contributions from the general public, which are not recorded in the consolidated financial statements because fair value of the contributions cannot be readily determined.

Contributed Services

Generally, when fair value of contributed professional services can be readily determined, a contribution received is recognized with an equal amount for expense incurred. MLF did not receive contributed services for the years ended December 31, 2021 and 2020. In addition, countless individuals volunteer their time and perform a variety of tasks that are essential to MLF in providing its program services, but these services do not meet the criteria for recognition as contributed services and are, therefore, not reflected in the consolidated financial statements. MLF estimates that approximately 23,540 and 22,269 volunteers have contributed their time to MLF during the years ended December 31, 2021 and 2020, respectively.

Allocation of Expenses

The expense information contained in the consolidated statements of activities is presented on a functional basis. Accordingly, certain expenses are allocated among the programs and supporting services benefited. Expenses which cannot be specifically identified have been allocated based on management's best estimate of usage. Payroll and related costs are allocated based on estimated time spent by the employees for each function. Depreciation is allocated on estimated usage in each function.

Notes to Consolidated Financial Statements (continued) For the Years Ended December 31, 2021 and 2020

Note 3 – Concentrations of Credit Risk

Financial instruments which potentially subject MLF to credit risk principally consist of cash and cash equivalents and investments. To minimize this risk, MLF places its temporary cash investments with high credit quality financial institutions insured by the Federal Deposit Insurance Corporation (FDIC) and the Securities Investor Protection Corporation (SIPC). Effective January 1, 2013, deposit insurance coverage by the FDIC changed to \$250,000 per bank per entity for all interest bearing and non-interest bearing accounts. Securities are protected by the SIPC which currently protects brokerage accounts up to \$500,000 in securities. The U.S. treasury bills held as investments are fully backed and guaranteed by the U.S. government. At December 31, 2021 and 2020, MLF had \$5,726,034 and \$8,387,615, respectively, in uninsured balances. MLF has not experienced any losses in such accounts in the past.

MLF received approximately 59% and 32% of their total support and income from their Capital Campaign – Ten Year Plan support during the years ended December 31, 2021 and 2020, respectively.

Note 4 – Pledges Receivable

Pledges receivable are due over various years and are summarized at December 31, 2021 and 2020 as follows:

	_	2021	2020
Due within one year	\$	6,323,583	\$ 2,755,350

Note 8 – Notes Payable

Notes Payable – Construction

During September 2018, MLF, Inc. entered into a construction loan agreement with Frost Bank (construction loan #1) totaling \$7,000,000, originally secured by a deed of trust on the Community First! Phase II property. Interest only was to be due and payable quarterly as it accrues on the 13th day each and every calendar guarter beginning December 13, 2018, and continuing regularly and quarterly thereafter until September 13, 2020; thereafter, principal shall be due and payable in quarterly payments of \$250,000 on the 13th day of each calendar quarter, beginning December 13, 2020, and continuing regularly thereafter until September 13, 2025, when the entire amount hereof, principal and accrued interest then remaining unpaid, shall be due and payable. This loan was amended on November 10, 2020 to a total amount of \$6,400,000. Frost Bank released Phase II land for use in the NMTC deal. The loan is now secured by Phase I property. Quarterly principal payments of \$250,000 are now set to begin in March 2023 and continue until September 2025. Interest on the outstanding and unpaid principal balance of the note shall be computed at a per annum rate equal to the lesser of (a) a rate equal to The Wall Street Journal LIBOR plus 2.1% per annum, with said rate to be adjusted daily to reflect any change in The Wall Street Journal LIBOR; provided, however, in no event shall LIBOR be less than 0.15%, or (b) the highest rate permitted by applicable law. During the years ended December 31, 2021 and 2020, MLF, Inc. had outstanding balances of \$0 and \$2,997,792, respectively. The note was dated April 9, 2020 and was to mature on April 17, 2022. It bore interest at a rate of 1% per annum and monthly payments of \$37,956 were due starting on November 17, 2020. However, payments were automatically deferred to either: (1) the date that the SBA remits the borrowers forgiveness amount to the lender or (2) if the borrower does not apply for loan forgiveness, 10 months after the end of the borrower's loan forgiveness coverage period. Funds from the loan were only to be used for payroll costs, rent, utilities, and interest on other debt obligations (if the debt obligations were incurred before February 2020). MLF, Inc. used the entire advance amount for qualifying expenses and accounted for it under FASB ASC 470 as debt. Under the terms of the PPP program, certain amounts of the note would be forgiven if they were used for qualifying expenses as described in the CARES Act and the Paycheck Protection Flexibility Act, which was enacted on June 5, 2020 and modified certain provisions of the CARES Act. As of December 31, 2020, the note balance of \$683,200 had been fully forgiven by the Small Business Administration (SBA) and was recognized as forgiveness of debt income on the consolidated statements of activities.

On March 13, 2020, the Government of the United States declared the COVID-19 Pandemic ("COVID-19") as a national emergency. COVID-19 has caused a significant impact on the United States economy affecting various businesses in different ways. COVID-19 may have an impact on future programs and events being held. MLF does not have insurance to cover the loss of revenues from these events in the case of a Pandemic. However, no adjustments have been made to these consolidated financial statements as a result of this uncertainty. See Note 8 for disclosure of the PPP loan received in response to COVID-19.

MLF, Inc. is the beneficiary of the Mobile Loaves & Fishes Endowment Fund (the "Fund"), a charitable fund established in 2007 and administered independently by the Austin Community Foundation for the Capital Area ("ACF"). The purpose of the Fund is to feed the hungry and to provide accessible, attractive, and gratifying means for individuals to serve their communities, thus, inspiring a lifestyle of volunteering to serve. As part of the Fund agreement, MLF, Inc. granted ACF variance power and, therefore, the assets of the Fund are irrevocably held and managed by ACF. ACF has the authority to distribute any principal amount of the Fund at its sole discretion, from time to time. There were no distributions made from the Fund during the years ended December 31, 2021 and 2020. The value of the Fund totaled \$164,825 and \$112,579 at December 31, 2021 and 2020, respectively.

Note 12 – Conditional Pledges

During 2016, a donor recommended a Foundation to commit to a \$1,000,000 pledge to be paid to MLF over 10 years (\$100,000 per year). If the Foundation does not make the annual payment to MLF, the donor will commit to pay MLF the remaining amount. Due to the conditional nature of the pledge, MLF did not record all of the pledge as contribution income and related pledge receivable for the year ended December 31, 2016. During the years ended December 31, 2021 and 2020, MLF received and recognized \$100,000 each year related to this pledge.

Payments beyond October 2022 are contingent on the reauthorization of the Public Improvement District (PID) beyond its current expiration date of April 30, 2023. Should the PID not be reauthorized, this agreement shall immediately terminate. In addition, MLF must submit a business plan beginning September 1, 2017 and must provide the annual Form 990 and audited financial statements as soon as they are complete. The funds are restricted for capital improvements for Community First! Village phases 2, 3, and 4 and for addressing the needs of people who are chronically homeless. MLF shall not comingle the Alliance funds with other programs or operations of MLF. The Alliance may terminate this pledge agreement at any time or without cause. MLF recorded the \$1,200,000 unconditional portion of the pledge receivable and related contribution income during the year ended December 31, 2017. Effective January 1, 2014, MLF initiated a new 401(k) retirement plan. All employees at least 18 years of age are eligible for the plan and for employer match immediately upon employment. MLF matches the employee's elective deduction up to 5% of gross salary and matching contributions will vest 100% after an employee has completed three years of employment. As part of the NMTC transaction, MLF, Inc. entered into a lease agreement with MLF SC to lease the Community First! Phase II land, buildings, and improvements through December 31, 2045. Lease payments will be due quarterly on the 1st day of March, June, September, and December at the rental amounts established in the lease agreement. Note 16 – Key Man Life Insurance Policy

In June 2016, MLF acquired a \$1,000,000 life insurance policy on MLF's current CEO. MLF is paying the annual premiums and the policy period is 10 years, expiring on June 20, 2026, with the option of increasing the policy contract amount \$50,000 annually (the policy amount is \$1,000,000 as of December 31, 2021 and 2020). MLF is the owner/beneficiary of the policy. During the years ended December 31, 2021 and 2020, MLF paid \$12,534, for each year, in insurance premiums related to this policy.

Note 17 – New Markets Tax Credits Transaction

Background

New Markets Tax Credits are tax credits created by the Federal government in 2000 and renewed each year thereafter to help encourage sustained investment in low-income communities. The purpose is to provide investors with a financial incentive (a tax credit) to invest in projects being built in low-income communities. Investors receive a 39% Federal tax credit earned over a seven-year period (the compliance period). The NMTC transaction provided funding for MLF to use toward Community First! Village Phase 2.

There are various entities involved in the NMTC transaction including MLF, Inc. and MLF SC. MLF, Inc. is the leverage lender and MLF SC is the Qualified Active Low-Income Community Business ("QALICB"). See Note 5 for the note receivable MLF, Inc. made as the leverage lender. See Note 8 for the notes payable MLF SC received as the QALICB to use towards Community First! Village Phase 2.

Option Agreement

On November 10, 2020, MLF, Inc. entered into a Put/Call Option Agreement with Chase Community Equity, LLC (the "Fund Member") to put the ownership interest in the Fund for \$1,000 plus the amount of all transfer and/or excise taxes in connection with the transfer of interest. The put may be exercised by the Fund Member at any time during the period commencing on the earlier to occur of (i) the date there shall be one or more final determinations that a recapture event has occurred as defined in the agreement, or (ii) the last day of the tax credit investment period. Exercising the option will effectively extinguish all debt for MLF, Inc. and MLF SC relating to the NMTC transaction. All entities related to the structure will then be effectively dissolved, thus ending the structured financing transaction.

Should the structure not dissolve, MLF SC will make principal and interest payments in accordance with the loan agreements as disclosed in Note 8. The probability of the loans extending past the seven-year compliance period is very low.

Notes to Consolidated Financial Statements (continued) For the Years Ended December 31, 2021 and 2020

Note 18 – Affordable Housing Grant

In December 2020, MLF, Inc. entered into an Affordable Housing Program Agreement for Rental Project with the Federal Home Loan Bank of Dallas (FHLB). This award allows MLF, Inc. to draw up to \$750,000 to use on affordable housing with a 15 year retention period. During 2021, MLF, Inc. was awarded an additional \$750,000 from FHLB for a total award of \$1,500,000. As of December 31, 2021 and 2020, \$750,000 and \$0, respectively, has been drawn.

Note 19 - Liquidity and Availability of Financial Assets

MLF's working capital and cash flows varies as contributions are received over the year. Additionally, working capital and cash flows increase due to revenue increases prior to special event fundraisers with the expenses of these events paid subsequently. Other monthly cash outflows vary each year based on the specific requirements of MLF's programming during the period. To help manage unanticipated liquidity needs, MLF maintains a line of credit with a bank totaling \$600,000, which it could draw upon.

The following reflects MLF's financial assets as of the consolidated statements of financial position date, reduced by amounts not available for general use within one year of the consolidated statements of financial position date because of contractual or donor-imposed restrictions or internal designations. Amounts available include donor-restricted amounts that are available for expenditure in the following year. Amounts not available include amounts set aside for operating and other reserves that could be drawn upon if MLF's Board of Directors approves that action.

The Burleson Village infrastructure construction is expected to be completed in 2025. MLF will receive these funds as expense reimbursements from Travis County.

Note 21 – Subsequent Event

In March 2022, MLF received a \$36,600,000 grant from the Michael and Susan Dell Foundation for the Scaling Community First! Village to Combat Homelessness project. The grant funds are contingent upon MLF collecting an additional \$73.2 million in in-kind, securities, and/or cash donations for the project and will be disbursed incrementally as the donations are collected.
